Game Bird Heritage Program
2010 Apprentice Pheasant Hunt Opportunities for Juniors

The Game Bird Heritage Program provides educational hunts with pen raised pheasants that provide beginning hunters with a controlled, educational and safe environment to learn hunting skills and further develop hunter safety and a sense of hunter ethics and wildlife management. Events include gun safety review, easy to hunt topography, a high ratio of volunteers to hunters, with some venues featuring experienced dog handlers and clay shooting among other educational activities.

To apply, fill out the application below and submit to the address below. Applications must be received by 5:00 PM on the hunt deadline. Hunters will soon be able to apply online at:
